

Called and Anointed for Mission: A Women's Day of Reflection

Since Biblical times, God has called humanity to be part of His mission to spread love and be agents of reconciliation. Women from the Old and New Testament will guide us on a journey of discovering the meaning of being called. This call takes on a new dimension in Baptism, when each person is anointed with the holy chrism and receives the call to share in Christ's mission as priest, prophet, and king. We will discover each of these callings as they are connected to being chosen for a mission. By taking a fresh look at the encounters that women had with Jesus we will grow in confidence and skill in praying with scripture and in making the Gospel story our own. The day will include Mass, Adoration, opportunities for confession and fellowship...an opportunity to strengthen the tether between your heart and the Sacred Heart of Jesus.
